I am a 21-year-old ICT Multimedia student currently doing my 3rd year at the Cape Peninsula University of Technology. My current objective is to improve my skills and develop my passion as a Front-End Developer by consistently learning and building projects. My drive and dedication for coding has helped me get this far and I look forward to seeing how I can contribute to the fast-paced industry!

EDUCATION

JANUARY 2018

MATRIC, EDGEMEAD HIGH SCHOOL

Distinction in Computer Applications Technology (Computer Literate)

While doing my 3rd year at varsity I also do personal projects to continue improving my skills so that I can contribute to this fast-paced industry!

COVER LETTER

DEAR TO WHOM THIS MAY CONCERN,

Are you looking for a Front-End Developer who:

- Is tech savvy
- Has design skills and knowledge of Adobe suite products
- Is driven and self-motivated
- Has experience with front-end technologies such as HTML, CSS/SCSS, JavaScript, Git, etc.
- Is always seeking to learn and grow

If so, then I would be the perfect fit to your company! I am a dedicated and smart worker who solves any challenges presented to him, therefore I believe that I can contribute to the software development industry with the set of skills that I have.

You can contact me via phone(072 115 1831) or email (abongilewilliam@gmail.com) to schedule an interview. I look forward to hearing from you!
